I tried to understand as I touched your hand  
What went wrong today  
I didn't understand how all best laid plans go to waste  
The alter lay still  
Empty until some old martyr came  
But what's in a name?  
I'm sure glad you came to the show

Romeo + Juliet, we are  
Romeo + Juliet, we are

I tried to understand  
How to be a man when your pride is gone  
The rulebook got banned  
Burned in my hand 'til it scarred  
Thinking they're smart  
"Love's not an art 'til you've been and gone"  
They can beat us to hell  
We'll never forget who we are

Romeo + Juliet, we are  
Romeo + Juliet, we are

Why can't we all just get along?  
Passing our time side-by-side  
Why can't we all just get along like before?

I tried to understand as your plane came to land  
What went wrong today  
The touch of your hand was missed by a man left  
behind  
The loneliest times are last thing at night when I think  
of you  
So, goodnight my friend  
I'll see you again in my dreams

Romeo + Juliet, we are  
Romeo + Juliet, we are  
Romeo + Juliet, we are

Why can't we all just get along?
