I saw the sea come in.  
I saw your good old friend.  
He walked right past.  
I'll never ask,  
I'll never ask again.

I saw the sea come in.  
I saw your good old friend.  
He walked right past.  
I'll never ask,  
I'll never ask again.

I love the way you dance.  
We can work it all out.  
Don't you miss your chance.  
The pain will all grow out.

I heard your good old word.  
I heard the things you said.  
They shuffled in;  
Asked me to sin,  
Asked me to sin in red.

I heard your good old word,  
And I also heard the things you said.  
They shuffled in.  
Auf weidersehen,  
Auf weidersehen, good night.

I love the way you dance.  
We can work it all out.  
Don't you miss your chance.  
The pain will all grow out.

I didn't go to see the city,  
I went to see it around you.  
We can laugh in hell together;  
The devil will find you, too.

Nose to nose.  
Eyes all closed.

This is what I said.  
"We never, ever end."

Nose to nose.  
Eyes all closed.  
This is what I said.  
"We never, ever end."

I saw the sea come in.  
I saw your good old friend.  
He walked right past.  
I'll never ask,  
I'll never ask again.
