California here I come  
To break the clouds and see the sun  
I've wanted this for all my life  
I'll turn the music up way to loud  
I'll start to Scream and Shout  
Ohh Ohh for this

(Chorus)  
So Here I am  
I'm Finally Home  
Here I am  
But I'm Finally Home  
But I Think I'm Coming Back

The puzzles pieces were mixed up  
Scattered, tossed around this truck  
Ohh Ohh what a mess  
Then we'll finally drink the wine  
Smile toast to all good times  
(Just Want to Let it out)

(Chorus)  
So Here I am  
But I'm Finally Home  
Here I am  
But I'm Finally Home  
But I Think I'm Coming Back  
But I Think I'm Coming Back  
Tonight I Just Will

(Bridge)  
Baby Girl, Need Just a Moment of your time so relax  
and unwind  
I want to tell you've made an impact on my life so relax  
and unwind

(Guitar Solo)

(Chorus)  
So Here I am  
But I'm Finally Home  
Here I am

And I'm Finally Home  
And I Think I'm Coming Back  
But I Think I'm Coming Back  
And Tonight I Just Will  
So here I am  
But I'm Finally Home  
But I think I'm coming back to you
