(Aaah, aah...)  
Ooh, ah, ooh, ah  
(Aaah, aah...)

Saucers are a-flying  
Flying in the sky  
Saucers are a-flying  
Flying, oh, so high

A woman's assassinated  
She makes her life a dream  
Burning like a fireball  
Heading for eternity

[CHORUS]  
We're on our way  
We're on our way  
We're on our way  
We're on our way  
We're on our way

Do do do do do...

Ooh, ah, ooh, ah

Well, she rides on astral moonbeams  
Sparkle in the night  
She shines in the sky  
Like a god up high  
And, baby, it's outta sight

Ooh, ah, ooh, ah

Hurricanes and thunder  
A spaceship's on the run  
We're gonna bring the troops  
To planet Earth  
We're gonna move it on and on

[Repeat CHORUS]

Do do do do do...

(Aaah, aah...)  
Ooh, ah, ooh, ah  
Ooh, ah, ooh, ah  
Ooh, ah, ooh, ah...
