In beautiful houses
With beautiful gardens
And beautiful friends inside
And I stand all alone
That rain falling down
I stare at your window and I cry
I love you so much
I love you too much
I love you so much so much
Will you be mine

In beautiful houses
With beautiful gardens
Where beautiful dreams have died
And you stand all alone
With your friends all around
And you stare at your window and you cry
I love you so much
I love you too much
I love you so much so much
Will you be mine

And I'm sorry for the things I said
Sorry for the things I did
Sorry for the way I said goodbye

I'm sorry for the things I said
Sorry for the things I did
Sorry that I ever made you cry-y-y

Well in beautiful houses
With beautiful gardens
And beautiful friends inside
And I stand all alone
With my world falling down
And I stare at your window and I cry
I love you so much
I love you too much
I love you so much so much
Will you be mine
I love you so much so much
Will you be mine

Oh darling
