I'm riding around,
this cheaters town,
every place I go,
just bringin' me down

I don't know when,
I don't know if,
Im ever comin' home

I got my broken heart,
torn all in two,
cause every place I look,
I picture him and you

I dont know when,
I dont know if,
I'm ever comin home

yeah baby you lied to me, you lied to me
you stood there you smiled you opened your heart and
you lied

I dont know when,
I dont know if,
I'm ever comin home,
never comin' home

I'm drivin' slow,
don't know where I'm goin',
I thought you loved me too,
but I was always alone

I don't know when,
I don't know if,

I'm ever comin home,
comin' home

I got a broken heart,
torn all in two,
cause everything I had,
i gave it all to you

I don't know when,
I don't know if,
I'm ever comin' home,
comin' home,
comin' home

oh baby you lied to me, you lied to me
you opened up your little black heart you smiled and
you lied

I don't know when,
I don't know if,
I'm ever comin' home,

oh I don't know when,
I don't know if,
I'm ever comin' home,

oh I don't know when,
I don't know if,
I'm ever comin' home,
comin' home
