Nobody ever warns you, or tells you what to do.
She walks away, your left to stay.
Alone forever blue.

The stars have all stopped shining,
the sun just won't break through.
Each days the same, more clouds more rain.
Your left forever blue.

Forever blue 'cause you love her, but she dosen't love
you.
You did your best, life did the rest.
Your left forever blue.

(Guitar Solo)

No reason left for living, still there's alot to do.
New tears to cry, old songs to sing.
And feel forever blue.
And be forever....Blue
