I have nothing but sorrow
Since you said we were through
There's no hope for tomorrow
How's the world treating you?

Every sweet thing that matters
Has been broken in two
All my dreams have been shattered
How's the world treating you?

Got no plans for next Sunday
Got no plans for today
Every day is blue monday
Every day you're away

Everything sweet thing that matters
Has been broken in two
And I'm asking you darling
How's the world treating you?
