"Lovers Game"

I call you up and tell you that I love you.
I call you up and play my lovers game.
Love is just a game to me dear, love is just a game I'd
like to play.
I call you up and tell you that I love you.
But really to me every girl the same.
Love is just a game to me dear, love is just a game I'd
like to play.
If I really loved you, then I'd never call you.
'Cause I know I'd only hurt you!
If I really loved you, then I'd never call you.

'Cause I know I'd only hurt you, my love.
(Guitar Solo)
I call you up and tell you that I love you.
I call you up and play my lovers game.
Love is just a game to me dear, love is just a game I'd
like to play.
