Only the lonely, know the way I feel tonight
Only the lonely, know this feeling ain't right

There goes my baby, there goes my heart
They're gone forever, so far apart
But only the lonely, know why I, I cry
Only the lonely, only the lonely

Only the lonely, know the heartaches I've been through
Only the lonely, know I've cried and cried for you

Maybe tomorrow, a new romance, no more sorrow
But that's the chance, you've got to take
If your lonely heart breaks only the lonely
Only the lonely, only the lonely
