Take my heart (take my heart)
There's no telling what this love can bring.
This romance (this romance)
I got a felling could bring everything.
Don't be shy,
Lift that chin and let me look at you (oh baby)
What a face,
I've been waiting for you all my life, so be my baby
baby.

Take this kiss (take my heart)
Crazy kiss of love I offer you.
Kiss like this (kiss like this)
Kiss like this proves our love is true.
Hold me tight,
Whisper on my dear like lovers do (oh baby)
Don't let go,
I've been waiting for you all my life, cause your my
baby baby. Yeah.

Take my heart, you're the morning stars above for me
(oh baby)
Can't you see, you're the only one I'm dreaming
of, it's you I love now baby baby.
Take my heart (take my heart)
Take my heart. Take my heart.
