There she goes, there she goes.

All dressed up and walking, you found somebody new.  
I don't want nobody, I was happy with you.

There she goes.

I never said I love you, but you know that I do.  
I can't believe it's over, I keep thinking of you.

I see her everywhere, everywhere I go.  
I see her everywhere, everywhere I go.  
There she goes, there she goes.

There she goes.  
Don't know why she left me, don't know what I'll do.  
I don't want no council, I was happy with you.

I see her everywhere, everywhere I go.  
I see her everywhere, everywhere I go.  
There she goes, there she goes.

I wanna cry, over you.

There she goes, there she goes.  
There she goes, there she goes.  
There she goes, there she goes, there she goes.
