If I had to tell now the way I feel about you I'd say
nothing.
'Cause when I try to tell how I feel you know I'd only end
up crying.
This love will last. This love will last.

Remembering back times now I know these bad times
could never last forever.
Wiser men than me have told me what to do when hurt
and I'd forgive her.
This love will last. This love will last.

So take your hand and put your hand in mine and tell
me,

that you'll never leave me, forever, together, two lovers
for forever.
This love will last. This love will last.

If I had to tell now the way I feel about you I'd say
nothing.
'Cause when I try to tell how I feel you know I'd only end
up crying.
This love will last. This love will last.
This love will last.
