Western stars light up the sky, hear the desert wind roll  
by.

Tonight, tonight.

Western stars can break your heart, they keep shining  
when we're apart.

Tonight, tonight.

I'll watch, I'll wait, how will my heart ache tonight?

Tonight.

I'll watch, I'll wait, my heart is bound to break tonight.

Western stars light up the sky, tonight I'm alone to cry.

Tonight, like every night.

A western hero must play his part, even though it will  
break his heart.

Tonight, oh tonight.

I'll watch, I'll wait, how will my heart ache tonight?

Tonight.

Western stars light up the sky, hear the desert wind roll  
by.

Tonight, tonight.

Tonight, to-night.....
