When clouds appear, things look tough  
We won't give in, we won't give up  
We've got tomorrow  
And then tomorrow  
And then tomorrow goes on and on  
Until forever  
If you say you love me too

A simple plan, is all we'll do  
You count on me, I count on you  
And we'll have tomorrow  
And then tomorrow  
And then tomorrow's go on and on  
Until forever  
If you say you love me too

And when the hard time comes oh darlin' don't be blue  
You never own your heart, I've waited here for you

When the hard times come oh darlin' don't be blue  
You never own your heart, I'm standing here for you

So take my hand, and we'll begin  
What we start, will never end  
We've got tomorrow  
And then tomorrow  
And then tomorrow's go on and on  
We've got tomorrow  
And then tomorrow  
Yeah it just goes on and on  
Until forever  
If you say you love me too  
Until forever  
If you say you love me too
