Think of all the things, we've done and now
You've decided, I'm not the one
A love like ours just can't go wrong
Run away baby have your fun but

I, I, I, I, don't wanna hurt you, I don't wanna see you cry
I, I, I, I, just wanna hold your love tonight
You owe me some kind of love

I don't wanna see you sad, I don't want you
Feeling down I only want you to say
You love me and you need me
The way I love you please believe me

I, I, I, I, don't wanna hurt you, I don't wanna see you cry
I, I, I, I, just wanna hold your love tonight
You owe me some kind of love
You owe me some kind of love

Think of all the things, we've done and now
You've decided I'm not the one
A love like ours just can't go wrong
Run away, baby, have your fun but

I, I, I, I, don't wanna hurt you, I don't wanna see you cry
I, I, I, I, just want you back, I don't want to fight
I, I, I, I, just wanna hold your love tonight
You owe me some kind of love
You owe me some kind of love
