Our social structures provoked strange desires  
Then they tabooed their means of expression  
I guess I hit the nail on the head  
When absorbing a few to stamp them out

I couldn't watch what I watch  
I couldn't hear the things I listen to

JACK IS SEATED RIGHT IN YOUR MENTAL SPIRAL SPRING  
LIABLE TO KNOCK HIS HEAD AGAINST YOUR CRANIUM

I guessed I touched off a psychosis  
When I roused that dragon from his sleep

Their sociological recipe for characters made me into a  
case  
They were so kind to make me the kind  
That carries out his revolution by instinct

NEVER STRUCK YOU THE PILLS THEY MADE TO CURE  
THE STIR  
HAPPEN TO BRING ABOUT THE CAUSE ITSELF?

They diagnosed me but forgot about purpose  
If you're strange to a case - just name it!

JACK IS SEATED....

And if you ever doubted that the image accounts for  
the spirit  
Just watch the system rear your children by media

While seducing the masses to suppress your vocation  
'Cause the caps fit them but they don't wear them  
too close to home  
Deceived by the appearance they blocked up our doors  
Still trying to grasp what they protect us against  
And contraceptive docs with trademark on quality  
Make out prescriptions for your legal dreams  
But their sexual frustrations still punish your dreams  
....My zest for life incites me to explore every aspect of  
human nature

But do I practise what I see if it never was in me?

JACK IS SEATED....

JACK IS SEATED right in your mental spiral spring

JACK IS SEATED ready to touch off a psychosis

JACK IS SEATED - watching the news

JACK IS SEATED - and he breeds like hell

I couldn't feel what I feel

I couldn't think the things they drive me to

JACK IS SEATED!
