You're the rock of my salvation
My savior and my friend
The hope of every nation
The one that never ends

Your cross is my redemption
Forever you will reign
Your strength is our foundation
As one we lift your name

Jesus The love of my life
Jesus My savior divine
Jesus My one true desire
Jesus Jesus

Repeat Verse
Repeat Chorus
I will sing to you
Sing a song of praise
I will worship you
And praise your name
I will lift my hands
I will lift my heart
I will lift my voice
All for

Jesus The love of my life
Jesus My savior divine
Jesus My one true desire
Jesus Jesus

Jesus The love of my life
Jesus My savior divine
Jesus My one true desire
Jesus, Jesus, Jesus, Jesus
