"Love Out Loud"

And Iâ€™ll love out loud
Iâ€™m not ashamed to say it
I love my Jesus
Heâ€™s everything to me
And Iâ€™ll sing and shout
You can call me crazy
Cause Iâ€™ll I want is all of me
To live for God so all can see
That heâ€™s my all and everything
Then you can finally say to me
I love out loud (4x)
(Lord Iâ€™ll love you out loud) (4x)

Never did I used to be
Infatuated by you
Thereâ€™s something in my soul
Iâ€™ve got to let it out

Thereâ€™s nothing you can say or do
Thatâ€™s keeping me from pushing through
