Verse 1:

I hope that you're alright
Those tears that fell were mine
My hate is all I have
What I did I shouldn't have

Chorus:

I can still see you smile whenever I close my eyes
Forever in my life forever passing by
Watching you walk away it still Hurts to this day
I'll be dreaming about you tonight and maybe I'll get it right
Well tomorows a new day I'm letting go, what can I say
But I'll still remember the sweetest kiss goodbye

Verse 2:

These days I'm falling down
Still as blind as I can tell
I heard you moved on to someone else
That's ok cause I'm doing well

Chorus:

But I can still see you smile whenever I close my eyes
Forever in my life forever passing by
Watching you walk away it still Hurts to this day
I'll be dreaming about you tonight and maybe I'll get it right
Well tomorows a new day I'm letting go, what can I say
But I'll still remember the sweetest kiss goodbye

Bridge:

I could see almost anything
A white dress and flowers, a diamond ring
But it was a dream that'll never be reached
If God can move mountains then why couldn't he
Bring back the girl he promised me?

Chorus:

But I can still see you smile whenever I close my eyes
Forever in my life forever passing by
Watching you walk away it still Hurts to this day
I'll be dreaming about you tonight and maybe I'll get it
right
Well tomorrows a new day I'm letting go, what can I say
But I'll still remember the sweetest kiss goodbye
