Sexy oh,
You look so sexy, oh
You look so sexy,
Baby you blow my mind,
Sexy oh,
I think you're sexy oh
'Cause you're so sexy
Baby you blow my mind
'Cause if somebody ask me
Who do I love
I will always say you're name
Mmm... who cares
You're mine and I'm your's
'Cause baby we're ment to be
You're mine and I'm your's
'Cause baby we're ment to be
Sexy oh,
You look so sexy, oh

You look so sexy,
Baby you blow my mind,
Sexy oh,
I think you're sexy oh
'Cause you're so sexy
Baby you blow my mind
You're mine and I'm your's
'Cause baby we're ment to be
You're mine and I'm your's
'Cause baby we're ment to be
We are the same one
We are the same one.....
We are ment to be
And always will
We are ment to be
And always will.
