You know my name,
You Know my game,
You know my place,
But you don't know me.

My heart is here,
Your heart is there,
They're so near,
But you don't love me...

What a shame, what a shame, what a shame,
what a shame, what a shame, what a shame,
what a shame, what a shame, what a shame,
what a shame, what a shame, what a shame,

You know my name,
You Know my game,
You know my place,
But you don't know me.

My heart is here,
Your heart is there,
They're so near,
But you don't love me...
No, no, no.

What a shame, what a shame, what a shame,
what a shame, what a shame, what a shame,
what a shame, what a shame, what a shame,
what a shame, what a shame, what a shame,
