Come on
(Come on, let me show you where it's at)
Come on
(Come on, let me show you where it's at)
Come on-on-on
(Come on, let me show you where it's at)
The name of the place is
(I like It Like That)

Come on
(Come on, let me show you where it's at)
Come on
(Come on, let me show you where it's at)
Come on-on-on
(Come on, let me show you where it's at)
The name of the place
(I like It Like That)

They got a little place
Across the track
The name of the place is
I Like It Like That
Now, you take Sally
An I'll take Sue
And we are gonna rock away
All our blues

Come on
(Come on, let me show you where it's at)
Come on
(Come on, let me show you where it's at)
Come on-on-on
(Come on n' let me show you where it's at)
The name of the place is
(I like It Like That)

Come on
(Come on, let me show you where it's at)
Come on
(Come on, let me show you where it's at)
I wanna show you
(Come on, let me show you where it's at)

The name of the place
(I like It Like That)

Now, the last time I was down there
I lost my shoes
They had some cat
Shoutin' the blues
The people was yellin'
Out for more
And all they were sayin'
Was, 'Go man go'

Come on
(Come on, let me show you where it's at)
Come on
(Come on, let me show you where it's at)
Come on-on-on-on
(Come on, let me show you where it's at)
The name of the place
(I like It Like That)

Come on
(Come on, an let me show you where it's at)
Come on
(Come on, an let me show you where it's at)
Come on-on-on
(Come on, let me show you where it's at)
The name of the place is
(I like It Like That)

FADES-

(Come on let me show you where it's at)
