Children, go where I send you  
(How will you send me)  
I'm gonna send you to that land  
The land of a thousand dances

You gotta know how to pony  
Like boney maronie  
You gotta know how to twist  
Stroll like this

Mashed potato  
Do the alligator  
Twist the twister  
Like little sister

Then you get your ya yo  
Say, hey, let's go, go  
Get out on your knees  
Do the sweet peas

Roll over on your back  
Say I like it like that  
Do the watusi  
Do the watusi

Can you do the fly  
With a hand jive  
Can you do the slot  
The chicken in the pot

Can you do the fish  
Slow, slow twist  
Can you do the flow  
Got to move so low

Can you do the tango  
It takes two to tango

Bye bye, children  
Bye bye, children  
Bye bye, children  
Come on, children

I wanna show you  
This little place  
Across the track  
The name of this place  
Is I like it like that

The name of band  
The Twistolettes

Come on, children  
I wanna show you  
I wanna show you  
I wanna show you  
Come on, children
