Pour my soul into my song  
Playin' for the people all night long  
I work hard for my money and I want it now  
Don't make me have to tear your juke joint down

I'm a homesick gypsy  
I was born movin' down the line  
I'm a homesick gypsy  
I ain't home 'til I leave you behind

Now I'm hard as a white oak tree  
A month on the road and three days sleep  
I got a girl in every town I play  
I'm sure missin' the one I had yesterday

I'm a home homesick gypsy  
I was born movin' down the line  
I'm a homesick gypsy  
I ain't home 'til I leave you behind

My worst nightmare is standin' still  
Gotta get my fix of them rollin' wheel  
When I die don't ya dig no holes  
Just scatter my ashes where the strong wind blows

I'm a home homesick gypsy  
I was born movin' down the line  
I'm a homesick gypsy  
I ain't home 'til I leave you behind

I ain't home 'til I leave you behind
