All the memories of our good time
Keep crowdin' in my mind
But I'm counting on the bad times
To help me leave you behind

Even though I said it's over
I'm really not that strong
I need something to keep me goin'
When I'm gone

As much as I want to turn around
I gotta keep drivin' on
The road to me, forgetting you
Is hard and it's long

When I remember how much I loved you
I just remember how you done me wrong
It's something to keep my going
When I'm gone

Still got your photograph in my wallet
Don't know why I don't throw it away
I used to take it out and look at you
To get me through the day

Now I realize when I look in your eyes
I never really knew you at all
It's something to keep my going
When I'm gone

As much as I want to turn around
I gotta keep drivin' on
The road to me, forgetting you
Is hard and it's long

When I remember how much I loved you
I just remember how you done me wrong
It's something to keep my going
When I'm gone

When I remember how much I loved you
I just remember how you done me wrong

It's something to keep my going
When I'm gone
