It's been a long time coming
But it's finally here
I'm gonna pack up my things
And get myself out of here.
I made a big decision
Gonna rip up the scenes
Oh what the hell is living
If you're not living your dreams.

[Chorus]
Making my way
Doing my thing
Don't have much but I'm bettin' everything
I know, I'm pushing my luck
I'm living on a long shot.
And baby if you wanna come with me
You gotta roll like thunder in between the sheets
I don't care, if you like it or not
I'm living on a long shot.

I'm living on a long shot [x2]

And I won't stop running
'Cause it makes me free
I gotta take what I want
'Cause no one's givin' it to me.
I don't need forgiving
So don't pray for me
'Cause it's the truth I'm living
I gamble on my own destiny.

Chorus

I'm living on a long shot [x4]

It's been a long time coming
But it's finally here
I'm gonna pack up my things
And get the hell out of here.

Chorus
