Sundown
You walk away
I should have known
To stay away
From you

Lights down
You fade to gray
I should have known
Your heart would stray away

I, I, I'm
Watching the sun go down
Watching the sun go down
Without you
[x2]

Watching the sun go down
Without you

Dumb man
You walk away
I should have known
To stay away
From you, you

Ghost town
With faith you played
You should have known
I'd walk away
From you

I, I, I'm
Watching the sun go down
Watching the sun go down
Without you
[x3]
