Well, they're dancing all over, yeah
They're dancing everywhere I go
You know I see 'em on the TV
And I hear it on the radio

[CHORUS]

Gonna twist, gonna stomp with you
Do the wobble and the watusi too
Locomotion, here we come
Gonna have some kind of fun

Well, they're moving and a grooving, yeah
They're dancing with all they got
I see them shimmy waddle waddle
And they're stomping like I don't know what

[Repeat CHORUS]

Work out
Oh, yeah

Well, they're dancing all over, yeah
They're dancing everywhere I go
You know I see 'em on the TV
And I hear it on the radio

[Repeat CHORUS]

Well, they're moving and a grooving, yeah
They're dancing with all they got
I see them shimmy waddle waddle
And they're stomping like I don't know what

[Repeat CHORUS]

Some kind of fun
Some kind of fun
