There Will Never Be Another You

Artist: Andy Williams

Words and Music by Mack Gordon and Harry Warren
introduced by John Payne in the 1942 film "Iceland"
starring Sonja Henie
A # 33 hit for Chris Montez in 1966

There will be many other nights like this
And I'll be standing here with someone new
There will be other songs to sing, another Fall, another
Spring
But there will never be another you

There will be other lips that I may kiss
But they won't thrill me like yours used to do
Yes, I may dream a million dreams but how can they
come true
If there will never ever be another you

There will be other lips that I may kiss
But they won't thrill me like yours used to do
Yes, I may dream a million dreams but how can they
come true
If there will never ever be another you
