When I thought I had your heart to keep forever  
Now I live with how it is, nothing lasts never  
I'm never in a place for too much time  
Try to leave my troubles far behind  
Everything I did, I did for you  
Now there's nothing left for me to do.  
I'm never going to fall in love again, the way I love you  
You know it's so damn hard letting go

(Chorus)

Standing here, holding my heart in my hands  
Yes I am  
Trying to live every day the best I can  
You know it's so damn hard letting go of you

Every day's a brand new start of a pain never ending  
I can't erase this lonely heart, it keeps on remembering  
Every day I live, I live with you and with all the things  
we'll never do  
Heaven holds a place for souls like mine, trying to  
leave my troubled past behind  
You know it's so damn hard letting go

(Chorus)

Standing here, holding my heart in my hands  
Yes I am  
Trying to live every day the best I can, Yeah  
You know it's so damn hard letting go  
It's so damn hard letting go of you
