Now Billy Joe McGuffrey was a really clumsy kid
On the first day of first grade, I'll tell you what he did
He tripped over a pencil box, flew up in the air
Landed on a kangaroo who pulled out all his hair

First aid in the first grade
First aid in the first grade
First aid in the first grade
You could buy a zoo with all the doctor bills he paid

Now Billy Joe McGuffrey was a really clumsy kid
On the second day of second grade, I'll tell you what he did
He slipped on a banana peel, flew up in the sky
Landed on a chimpanzee who poked him in the eye

First aid in the second grade
First aid in the second grade
First aid in the second grade
You could buy a zoo with all the doctor bills he paid

Now Billy Joe McGuffrey was a really clumsy kid
On the third day of third grade, I'll tell you what he did
He fell out of a fishing boat, splashed into the sea
Landed on a moray eel who bit him on the knee

First aid in the third grade
