I've come to my senses/  
How did I get so far from home?/  
The lies dissapating/  
Revieling i'm so alone/  
And I remember now/  
How strong love can be/  
And I wonder how/  
Did I ever leave?/

(Chorus)

Burn your fire on the alter/  
Leave a candle on the porch/  
I'm still too far away to see it/  
But i'm aching for it's warmth/  
N' i'm so tired n' cold n' dark n' lonesome/  
But still I hear your song inside/  
So sing it louder/  
If you want me home tonight/  
Sing it loud now/  
'Cause i'm comin' home tonight//

This isn't the first time/  
I've wandered away from home before/  
So you'd have every reason/  
To slam and dead-bolt the door/  
And I remember now/  
How strong your love can be/  
And I wonder how/  
You might welcome me//

(Chorus)

Burn your fire on the alter/  
Leave a candle on the porch/  
I'm still too far away to see it/  
But i'm aching for it's warmth/  
N' i'm so tired n' cold n' dark n' lonesome/  
But still I hear your song inside/  
So sing it louder/  
If you want me home tonight/  
Sing it loud now/  
'Cause i'm comin' home tonight/

Into your arms/  
To my backyard/  
Where I used to play/  
How I miss the days//

(Chorus)

Burn your fire on the alter/  
Leave a candle on the porch/  
I'm still too far away to see it/  
But i'm aching for it's warmth/  
N' i'm so tired n' cold n' dark n' lonesome/  
But still I hear your song inside/  
So sing it louder/  
If you want me home tonight/  
Sing it loud now/  
'Cause i'm comin' home tonight//
