I can't feel You move inside
I don't hear Your voice
Whisperin' in the night
And I've never seen You
With these eyes
Am I a fool?
Am I just a fool?
They ask how I follow
What I can't see
Why I trust in a love
That my arms won't reach
I don't need You
Don't need You
To prove to me
I'll be a fool
Yes I'll be a fool

'Cause blessed are those
Who have not seen and yet believe
And blessed are the hands
That keep givin' but never receive

Blest is the heart that
Gets broken but keeps holdin' on
Holdin' on for another day
'cause that's what it
Means to live by faith

So I cry for Your help
While the world looks on
And they laugh at my hope
When all hope is gone
But I'll just keep prayin'
When answers won't come
Am I a fool?
Am I just a fool
For standing alone
While they mock Your name
"Well if your God is so good
Tell us why all the pain?"
I'm not sure, not so sure
That God is to blame

So don't be a fool
Please don't be a fool

'Cause blessed are those
Who have not seen and yet believe
And blessed are the hands
That keep givin' but never receive
Blessed is the heart that
Gets broken but keeps holdin' on
Holdin' on for another day
'cause that's what it
Means to live

In a world where
Our questions are haunted
'cause life's not as fair
As we all wanted
Where the innocent die
We ask why
And still we await the reply

Blessed are those
Who have not seen and yet believe
And blessed are the hands
That keep givin' though they never receive

Blessed is the heart that
Gets broken but keeps holdin' on
Keeps holdin' on for another day
'Cause that's what it
Means to live by faith
Yes that's what it means
To live by faith
That's what it means
To live by faith
To live by faith
