[Faith]

Hmm, yeah, yeah, hmm

[Eve]

Hey, yo I don't even know you and I hate you  
See all I know is that my girlfriend used to date you  
How would you feel if she held you down and raped  
you?  
Tried and tried, but she never could escape you  
She was in love and I'd ask her how? I mean why?  
What kind of love from a nigga would black your eye?  
What kind of love from a nigga every night make you  
cry?  
What kind of love from a nigga make you wish he  
would die?  
I mean shit he bought you things and gave you  
diamond rings  
But them things wasn't worth none of the pain that he  
brings  
And you stayed, what made you fall for him?  
That nigga had the power to make you crawl for him  
I thought you was a doctor be on call for him  
Smacked you down cause he said you was too tall for  
him, huh?  
That wasn't love, babygirl you was dreamin'  
I could have killed you when you said your seed was  
growin' from his semen

1 - [Faith]

Love is blind, and love is blind  
It will take over your mind  
What you think is love may truly not be  
You need to elevate and find

[Eve](Faith)

I don't even know you and I'd kill you myself  
You played with her like a doll and put her back on the  
shelf  
Wouldn't let her go to school and better herself  
She had a baby by your ass and you ain't giving no help  
Uh-huh big time hustler, snake motherfucker

One's born everyday and everyday she was your  
sucker  
How could you beat the mother of your kids?  
How could you tell her that you lover her?  
Don't give a fuck if she lives  
She told me she would leave you, I admit it she did  
But came back, made up a lie about you missing your  
kids  
Sweet kisses, baby ain't even know she was your  
mistress  
Had to deal with fist fights and phone calls from your  
bitches  
Floss like you possess her, tellin' me to mind my  
business  
Said that it was her life and stay the fuck out of it  
I tried and said just for him I'll keep a ready clip  
(No, no, no, no)

Repeat 1

[Eve](Faith)

I don't even know you and I want you dead  
Don't know the facts but I saw the blood pour from her  
head  
See I laid down beside her in the hospital bed  
And about two hours later, doctors said she was dead  
Had the nerve to show up at her mother's house the  
next day  
To come and pay your respects and help the family  
pray  
Even knelt down on one knee and let a tear drop (oh)  
And before you had a chance to get up  
You heard my gun cock  
Prayin' to me now, I ain't God but I'll pretend  
I ain't start your life but nigga I'mma bring it to an end  
And I did, clear shots and no regrets, never  
Cops comin' in, watch me going to jail  
Nigga whatever my bitch, fuck it my sister  
You could never figure out even if I let you live  
What our love was all about  
I considered her my blood and it don't come no thicker  
(whoa)

Repeat 1 till end
