You and me  
We used to be together  
Everyday together always  
I really feel  
That I'm losing my best friend  
I can't believe  
This could be the end  
It looks as though you're letting go  
And if it's real  
Well I don't want to know

Don't speak  
I know just what you're saying  
So please stop explaining  
Don't tell me cause it hurts  
Don't speak  
I know what you're thinking  
I don't need your reasons  
Don't tell me cause it hurts

Our memories  
Well, they can be inviting  
But some are altogether  
Mighty frightening  
As we die, both you and I  
With my head in my hands  
I sit and cry

Don't speak  
I know just what you're saying  
So please stop explaining  
Don't tell me cause it hurts (no, no, no)  
Don't speak  
I know what you're thinking  
I don't need your reasons  
Don't tell me cause it hurts

It's all ending  
I gotta stop pretending who we are...  
Who we are

Don't speak  
I know just what you're saying  
So please stop explaining  
Don't tell me cause it hurts (no, no, no)  
Don't speak  
I know what you're thinking  
I don't need your reasons  
Don't tell me cause it hurts  
Don't tell me cause it hurts  
I know what you're saying  
So please stop explaining

Don't speak,  
don't speak,  
don't speak,  
oh I know what you're thinking  
And I don't need your reasons  
I know you're good,  
I know you're good,  
I know you're real good  
Oh, la la la la la La la la la la la  
Hey  
Oh  
Yeah
