sundays don't come so easily  
waiting for monday to (?)  
but i keep running on low  
it's not like i'm running on empty  
it just seems to be when you leave me i feel so alone  
and i don't wanna waste another moment when you  
look into my eyes  
(look into my eyes)  
and i can't wait to spend another moment waiting for  
the surprise

i'm never gonna leave  
don't wanna leave it all behind  
and i don't wanna look down  
baby cos this defines living  
i've never been so high  
i feel like we can go anywhere  
cos it feels like i'm walking on air  
must of made a reservation with the clouds  
you got me floating off the ground (oh)  
you got me floating off the ground

willing to stand out in the freezing cold for you  
you would be the only one wearing my coat  
if only know why, we try to stay alive and thrive on love  
and what we make of life  
(ooh right now)  
and i don't wanna waste another moment when you  
look into my eyes  
(look into my eyes)  
and i can't wait to spend another moment living for the  
surprise

i'm never gonna leave  
don't wanna leave it all behind  
and i don't wanna look down  
baby cos this defines living  
i've never been so high  
i feel like we can go anywhere  
cos it feels like i'm walking on air  
must of made a reservation with the clouds

you got me floating off the ground  
you got me floating off the ground (oh oh oh)

can't stand this waiting stages  
you're a away, i'm home  
i'm gone, you're home  
we fall in love in phases  
each one gets stronger every time we fall  
can't stand this waiting stages  
you're a away, i'm home  
i'm gone, you're home  
we fall in love in phases  
each one gets stronger every time we fall

i'm never gonna leave  
don't wanna leave it all behind  
and i don't wanna look down  
baby cos this defines living  
i've never been so high  
i feel like we can go anywhere  
cos it feels like i'm walking on air  
must of made a reservation with the clouds  
you got me floating off the ground

i'm never gonna leave  
don't wanna leave it all behind  
and i don't wanna look down  
baby cos this defines living  
i've never been so high  
i feel like we can go anywhere  
cos it feels like i'm walking on air  
must of made a reservation with the clouds  
you got me floating off the ground
