(by Santana)

Man its a hot one  
Like seven inches from the midday sun  
I hear you whisper and the words melt everyone  
But you stay so cool  
My mu equita my spanish harlem mona lisa  
Your my reason for reason  
The step in my groove

Bridge  
And if you say this life aint good enough  
I would give my world to lift you up  
I could change my life to better suit your mood  
Cause youre so smooth

Chorus  
And just like the ocean under the moon

Well thats the same emotion that I get from you  
You got the kind of lovin that can be so smooth  
Gimme your heart make it real  
Or else forget about it

Ill tell you one thing  
If you would leave it would be a crying shame  
In every breath and every word I hear your name  
calling me out  
Out from the barrio you hear my rhythm from your  
radio  
You feel the turning of the world so soft and slow  
Turning you round and round
