Promise; something to be expected  
Written on the inside of me  
I am waiting today

Like a song so familiar  
Like a fire at its embers  
I am burning today

Chorus:  
Mercy day; just a drop in the ocean  
A never-ending emotion  
I am ready today

A secret that was told to me wordless  
That i cling to with everything  
I am clinging today

Like an old washed-out picture  
Like a story remembered  
I can see it today

Chorus:  
Mercy day; just a drop in the ocean  
A never-ending emotion  
I am ready today  
Mercy day; the breaking out of the morning  
The quenching of every longing  
I am ready today

Bridge:  
Every start is completed  
Every half is made whole  
Everything is done

Like an old washed-out picture  
Like a story remembered  
I can see it today  
I can see it now, see it now

Chorus

Mercy day
