If you're ready or not the time is right to head up to the
sky
Baby it's our shot lets make the most of it darling don't
you cry
Be glad ; say a goodbye to all your sadness
Daylight's just begun i'll walk you to the sun

If you're ready or not the world's a cherry
Pick one while you can
Time is all we've got so let's not tarry
I can see a plan ; so grand
Bury your heartache in the sand
Tell me i'm the one to walk you to the sun

Bridge:

On the way up there's a rainbow we can climb
Hang on love ; it's a ride of our design
It is written in the sky i see our names above the trees
I can hear it in the wind i hear the sound of revelry
Be glad ; say a goodbye to all that's bad
Honey i'm the one to walk you to the sun

Bridge

It is written in the sky i see our names above the trees
I can hear it in the wind i hear the sound of revelry
Be glad ; say a goodbye to all that's bad
All your clouds are gone ; i'll walk you to the sun
Walk you to the sun, walk you to the sun
