Visit "[Closer](#)" on MotoLyrics.com

Ya know it's been awhile now
Since you've been in California
And you know how much I miss you anyway
Been meaning to reach you
Just to ask how life's been treating you
And I'm sorry that it's taken so long
I can hardly wait

Chorus
And I'm closer than you know
But I feel like the distance still shows
Still I'm closer than you know
Can I just drop by to say hello

Verse 2
I'd never be the first to say
I miss you and I need you
But it's always in the back of my mind
The road to you is calling
Leave all regrets at the station
And I'll meet you at the corner of our lives
I can hardly wait
