COLOR OF YOUR EYES
(FEATURING DOMINIQUE MIKAEL)

MUSIC: CHRIS RYAN
LYRICS: CHRIS RYAN & DOMINIQUE MIKAEL

There isn't much that I can give
But what I give I'll put my whole heart into
This is the best that I can do
This song goes out to you

Cause I'm losing myself in the color of your eyes
Finding myself in the light you have inside
I don't want to look away
I'm used to seeing my world in grey
It's the color of your eyes

Is there a line that I can sing
That would have you smile back at me
Is there a beat that I can play
That would make you dance your own way

Cause I'm losing myself in the color of your eyes
Finding myself in the light you have inside
I don't want to look away
I'm used to seeing my world in grey
It's the color of your eyes

So close your eyes and fill your heart
With every melody I start
See the picture that I paint
With every rhythm that I make

Cause I'm losing myself in the color of your eyes
Finding myself in the light you have inside
I'm losing myself in the color of your eyes
Finding myself in the light you have inside (have inside)
I don't want to look away (look away)
I'm used to seeing my world in grey
The color of your eyes
The color of your eyes
