I WONÂ'T SLEEP

MUSIC AND LYRICS: CHRIS RYAN

Look you are every thing I see

You are everything I need

And tonight is in-between you and me.

Girl youÂ're the reason why I dream

YouÂ're the yellow to my green

So IÂ'll hold you close and never let this go.

But please if you choose tonight

To stay by my side oh just let me sing you to sleep

And if you cry all night cause the world wont treat you right

Just know IÂ'm waiting to sing you to sleep tonight.

Look youÂ're the moonlight to my sea

YouÂ're the summer to my breeze

And tonight' is in between you and me.

Girl youÂ're the reason why I dream

YouÂ're the music that I sing

So ill hold you close and never let this go.

But please if you choose tonight

To stay by my side oh just let me

Sing you to sleep

and if you cry all night cause the world

Wont treat you right just know

IÂ'm waiting to sing you to sleep tonight.

I can't sleep

Until you let me know what you need

I can't breath

Until I know your safe tonight I canÂ't breath.

YouÂ're the reason why I breath

YouÂ're the only one for me

And tonight I hope you dream of me.....

And if you cry all night

Cause the world wont treat you right

Just let me sing you to sleep tonight.
