Drama's more than learning' words
It's more than mixing' bees and birds
It's d-d-digging deep until you strike desire

When we set that drama free
We'll skinny dip in ecstasy
An ocean of emotion flaming like a fire

Passionate reactions putting' on the scene
Shaking' up the Shakespeare in your velveteen
Playing to the camera like a drama queen all night

It can be a filthy mess
So d-d-d-don't get undressed
Unless that's what you do to get your crowd aroused

Burning up the silver screen
Like d-d-d-d-drama queens
But leave your goddamn drama once you take a bow

Passionate reactions putting' on the scene (Drama queen)
Shaking' up the Shakespeare in your velveteen (Drama queen)
Playing to the camera like a drama queen all night

Shaking' up the Shakespeare in your velveteen (Drama queen)
Playing to the camera like a drama queen all night

I won't spend my summertime
F-fighting love like it's a crime
I p-p-put my heart up center stage for you

If you don't like watch a seen
Don't be a d-d-drama queen
Just carry on and play along like players do
