I don't mind it
I don't mind at all
It's like you're the swing set
And I'm the kid that falls

It's like the way we fight
The times I've cried
We come to blows
And every night
The passion's there
So it's got to be right
Right?

No, I don't believe you
When you say don't come around here no more
I won't remind you
You said we wouldn't be apart

No, I don't believe you
When you say you don't need me anymore
So don't pretend to
Not love me at all

I don't mind it
I still don't mind at all
It's like one of those bad dreams
And you can't wake up

Looks like you've given up
You've had enough
But I want more
No, I won't stop
'Cause I just know
You'll come around
Right?

No, I don't believe you
When you say don't come around here no more
I won't remind you
You said we wouldn't be apart

No, I don't believe you

When you say you don't need me anymore
So don't pretend to
Not love me at all

Just don't stand there and watch me fall
'Cause I still don't mind at all

It's like the way we fight
The times I've cried
We come to blows
And every night
The passion's there
So it's got to be right
Right?

No, I don't believe you
When you say don't come around here no more
I won't remind you
You said we wouldn't be apart

No, I, I don't believe you
When you say you don't need me anymore
So don't pretend to
Not love me at all

I don't believe you
