(Sex, sex, sex, sex.....)  
I just want your sex.  
Come on.  
Yeah, yeah

There's things that you kiss  
and things that you know.  
Boys you can trust  
and girls that you dont.  
There's little things you hide  
and little things that you show.  
Sometimes you think you're gonna get it  
but you don't and that's just the way it goes

I swear I won't tease you, won't tell you no lies.  
Don't need no bible just look in my eyes.  
I've waited so long baby, now that we're friends  
a man's got his patience and here's where mine ends.

I want your sex.  
I want your love.  
I want your sex.  
I want your sex.

Well it's playing on my mind.  
It's dancing on my soul.  
It's taking so much time.  
So why don't you just let me go.  
I really want to try.  
Oh I'd really love to know.  
When you tell me you're gona regret it,  
and I tell you that I love you but you still say no.

I swear I won't tease you, won't tell you no lies.  
Don't need no bible just look in my eyes.  
I've waited so long baby, out in the cold.  
I can't take much more babe, I'm losing control

I want your sex.  
I want your love.  
I want your sex.  
I want your sex.

There's things that you kiss, things that you know.  
There's boys you can trust, girls that you dont.

It's natural, its chemical.  
Its logical, habitual.  
It's sensual but most of all,  
Sex is something that we should do  
(sex sets something free in you)

Sex is natural, sex is good.  
Not everybody does it, but everybody should  
Sex is natural, sex is fun.  
Sex is best when it's (one on one)  
One on one x3

(Yeah) I'm not your father.  
(Yeah) I'm not your brother.  
(Yeah) Talk to me sister.  
(Yeah) I am a lover

Come on.  
What's your definition of dirty baby?  
What do you consider pornography?  
Don't you know I'll love you til it hurts me baby?  
Don't you think it's time you had sex with me?

What's your definition of dirty baby?  
What do you call pornography?  
Don't you know I'll love you til it hurts me baby?  
Don't you think it's time you had sex with me?  
Sex with me, have sex with me.  
Ooh sex with me, come on

I want your sex.  
I want your love.  
I want your sex.  
I want your sex, yeah

I want your sex
