you think i'm just playing meant to leave just going
insane
because of own your love hard and quiq just burn it
away
im not the crazy i'm just crazy about the way you say
my name
if you want me to back away this is how you play the
game
i only fall in love with one some never ever feel the
same
so give me your attention give me all your BGA

you think i'm just playing meant to leave just going
insane

if that's what you want if that's what you need
show me all of your love so i won't get up and leave
because i don't wanna care how so crazy she get far

i'm playing with your heart and at the scene i'm trusting
your brain
If i confuse you enough i'll bed you far enough with me
