When you remember me,  
If you remember me  
I hope you see it's not the way I want it to be.  
Oh, I'd be with you now,  
But wherever you go  
My love goes with you.

Keep on smiling.  
Keep on Shining  
Even tho you know you want to cry,  
I tried to love you.  
Looking in my eyes you saw promises and lies  
Too many times.  
Repeat chorus

I'll be with you.  
Keep believing.  
Some things even time can't come between.  
And if you blame me,  
Try and realize there are promises and lies  
Too many times  
Repeat chorus
