When we're discovering lies
Our pride will be in vain
Now, recirculate our thoughts
Make them new again

Well, do you know where to start?
And do you see the end?
You're swallowing books
This is just like the last

And you're wasting your time
In searching for your past
Well, do you know where to start?
And do you see the end? Ohh, ohh, ohh

And when we return
You'll are ashamed
Because the promises of life
We'll never forget

And all that you say
Disclose what we are
We know our sheets will always
Maintain blank

Hey, yah, hey, yah, hey, yah, ohh, ohh, ohh
Hey, yah, hey, yah, hey, yah

When do you hide in your dreams
Do you look behind?
Play around with the truth
Constructed in your mind

Well, do you know where to start?
And do you see the end? Ohh, ohh, ohh

And when we return
You'll are ashamed
Because the promises of life
We'll never forget

And all that you say

Disclose what we are
We know our sheets will always
Maintain blank

Hey, yah, hey, yah, hey, yah, ohh, ohh, ohh
Hey, yah, hey, yah, hey, yah, ohh, ohh, ohh
