

## Bel Canto "Freelunch In The Jungle"

Visit "[Freelunch In The Jungle](#)" on MotoLyrics.com

I know I'm alive  
And I do love lovely dos, do you?  
Oh yeah, I guess you do  
I love being alive  
And I hope that love will see me through  
In all the things I do

I like the spice in me, I like the spice in you  
I've seen it twice in me and I've seen it twice in you

I know I'm alive  
Until all my dreams are all come true  
And some things are blue  
I know I'm alive, I know I am  
'Cause if I was not, I would be damned  
And, so I guess, would you  
Yeah

I like the spice in me, I like the spice in you  
So throw a dice for me and I'll throw a dice for you

Oh, we all cling on tight to pine-tree tops  
Oh, we are the lucky stars, lucky stars  
Oh, we all cling on tight to pine-tree tops  
Oh, we're just a little bit too excited  
Little bit too excited for me X2  
Je vis avec baloo l'bas  
Je vis bien l'bas  
Oui on mange ...  
...  
Understand?

I know I'm alive 'cause I do love lovely dos, do you?  
Oh yeah, I know you do  
Bien sur  
Yo!

I'm in love with life, I know I am and I'll try to keep it  
spick and span  
To let my love shine through

I like the spice in me, I like the spice in you

He put the eyes in me, a little bit the eyes in you

Oh, there's a crocodile beneath the mud  
It wants a little snack, a little snack  
There's a crocodile beneath the mud  
It is a little bit too excited  
Little bit too excited for me X2  
Je vis avec baloo l'bas  
Je vis bien l'bas  
Little bit too excited for me  
This is too excited for me  
Oui on mange ...  
Bien sé<sup>1</sup> pas loin de moi

Oh, when you cling on tight to pine-tree tops  
I'd say shake and bend, shake and bend  
Oh, when you cling on tight to pine-tree tops  
You'll feel a little bit too excited  
Little bit too excited for me X2  
Ecoute, j'ai déjà dit tout é<sup>o</sup>  
Je vis bien l'bas  
Little bit too excited for me  
This is too excited for me  
Oui on mange ...  
Pourquoi pas loin de moi ?  
Little bit too excited for me  
This is too excited for me  
Ecoute, j'ai déjà dit tout é<sup>o</sup>  
Je vais bien l'bas  
Little bit too excited for me  
This is too excited for me  
Je vis avec baloo l'bas, bas, bas  
...
